

SUPER LAWYERS

Elliott Greenleaf & Siedzickowski, P.C.

Leading the Way

Elliott Greenleaf & Siedzickowski, P.C.'s clients congratulate twelve of its lawyers selected by the statewide poll of judges and lawyers as Pennsylvania "Super Lawyers". The Firm has among the highest per capita Super Lawyers of any firm. This recognition reflects the excellent reputation of the Firm's Blue Bell, Scranton, Wilkes-Barre, Harrisburg and Reading offices throughout the Mid-Atlantic region.

The Firm represents Fortune 500 companies, governmental entities, entrepreneurs, privately and publicly held businesses, individuals, trade associations, non-profit organizations and unions. In Fall 2003, it was the only Pennsylvania firm with less than 50 lawyers selected by the Fortune 250 as "go to" counsel for commercial litigation and employment matters.

Concentration. Its nationally recognized trial and appellate lawyers and business counselors represent clients in business matters, health care, insurance, employment, constitutional issues affecting business and government, civil rights, trade secrets, major personal injury, professional sports, environmental, banking, securities and the rights of investors and managers.

Trial Counsel. Described in the legal press as among the "three most feared heavyweights in the Philadelphia legal community", the Firm practices in federal and state trial and appellate courts, bankruptcy and multi-district actions and regulatory proceedings. The Firm is regularly involved in, and referred, challenging legal and business matters. Against *Inside Edition*, it won the first federal court injunction against media stalking since Jacqueline Kennedy's success in 1972.

Efficiency. The Firm's pragmatic approach produces economically successful and timely results. Its clients enjoy comprehensive legal services and responsiveness without costly inefficiencies often associated with larger firms. In timely creating practical solutions, the Firm's responsiveness enhances its clients' bottom line.

Regional Expertise. The Firm's offices, equipped with state of the art technology, are uniquely positioned to serve a diverse client base from New York to Pittsburgh,

Philadelphia, Wilmington and Washington, D.C. In addition to the Firm's *pro bono* commitment, the Firm's public service includes the late Pennsylvania Governor Robert P. Casey; a Senior Member of the Pennsylvania State Senate; federal and state judges; counsel to the Appellate Rules Committee of the Pennsylvania Supreme Court; former judicial law clerks to the federal and state trial courts, Pennsylvania's appellate courts and Delaware's Chancery Court; attorneys with advanced degrees in taxation; former in house corporate counsel; and public officials, solicitors, mediators, law school and university professors.
